 - 3 Limited time **FREE SPROCKETS**.

Still not convinced? Try our conversion sprockets for **FREE!** Customers who purchase Ditch Witch chain and teeth for first-time equipment conversions will receive the sprockets free.

"We operate a number of different trenchers. From Ditch Witch to Vermeer to Astec...and we run Ditch Witch chain, teeth and sprockets on all of them. The Shark®/Duratooth® combo chains offer a better design and set-up. Plus, they last much longer allowing for increased productivity. My crews prefer them."

—Jeff Hobgood, Superior Construction Management, Inc.
